Message from the Principal

Dr. Mausumi Saha Kalita,
M.A., Ph.D., LL.B.

Kharupetia College is one of the premier institutions of higher education in Darrang District. The College has been set up with the painstaking efforts of some academically conscious personalities and visionaries of social change and sustainable development who felt the need of an institution of higher education in a socio-economically backward area of the District like Kharupetia in the year 1981. We have come a long way from those early years but our effort of striving to extend quality education to the students of the under privileged, minority concentrated area like Kharupetia still continues.

Our journey is not about teaching the curriculum; rather it is about holistic development of the students and the entire community as well. I, as the principal of the college, strongly believe that Education is just not merely acquirement of facts but also of values which help us to improve the different facets of mankind. Education in true sense of the term helps shaping the personality of a student into a healthy mind and happy soul who can not only think rationally with his academic excellence but also face the challenges of life in a balanced and harmonious way. For this, we promise to create an environment in the institution where the esteem faculties, staff, students and parents and all the stakeholders may work as a team to unleash the potentialities of the youth for a better future.

We provide eco-friendly and sustainable environment in the campus and try to imbibe core values and culture so that students become good human beings and citizens. Development of Skill amongst the student irrespective of gender has been one of our priority areas. Besides offering conventional Arts, and Commerce education and B. Voc programmes we also offer vocational and job-oriented Certificate and Add-on courses. Located in the rural Darrang District, we have been able to have a good infrastructure in the campus with digital smart classroom room, one video conferencing room, well equipped geography laboratory, education laboratory, computer laboratory and language laboratory. We have several classrooms with ICT facilities to make the classroom environment more interesting and interactive. Our library is fully computerized with COHA Web-OPAC facility. We provide unlimited internet connectivity to the faculty. There is a well-equipped and furnished Girls' Hostel in the campus. We have installed a 40 Kw solar power plant in the campus and thus turned ourselves from consumer to a producer and supplier of Green energy. We have well equipped Gymnasium and Fitness, Yoga Centre, Indoor stadium with Badminton court and Table Tennis boards and Play ground with Volleyball court. The Institution being a co-educational institution has focused on women empowerment too. Through the NSS, Career Counseling and Guidance Cell and women Cell we have organized a number of workshops to impart the life skill and training programmes for physical, preparation for competitive examinations (civil and defense service) for both the boys and girl students. As a result, of that the number of participation of students in general and the participation of the girl students in particular, are observed increasing over the years and some of them (including the girl students) have got the placement in the Defence Departments.

Another priority area of the institution is the maintenance of regularity, discipline, punctuality. The Internal Quality Assurance Cell (IQAC) of the College takes care in improving quality and suggests measures for overall development of the College. Grievance Redressal Cell, Anti Raging Committee and the Internal Complain Committee are very active in follow up any issues that come under the per view of the breach of rules

and regulations. Apart from NAAC re-accreditation in 2015 with B'Grade (CGPA of 2.30), our College has also participated in the NIRF recently. During the COVID 19 pandemic, we introduced online classes and we are continuing with it in a blended mode with classroom teaching as and when required. Faculties have also uploaded study materials and Class videos and audios in the college portal for the benefit of the students. Initiatives have also been taken to sign for collaborations and MoUs with Institutions/NGOs and jointly undertaking various activities/initiatives. Thus, we are trying to our level best to provide the best of facilities and quality education to our students within the available resources that may be expected in a Higher Educational Institute.

We, on behalf of the Kharupetia College fraternity, welcome all the young boys and girls to our institution. Last but not the least, together with all, we also look forward to the wholehearted cooperation and support from all the stakeholders to lead this institution to a greater glory.

KHARUPETIA COLLEGE

(Accredited by NAAC with Grade - B)

PROFILE :

Kharupetia College is one of the premier institutions of higher education in Darrang District. The College saw the light of day as a result of untiring efforts of the far-sighted people of greater Kharupetia locality. Established in the year 1981, the college was taken over by the Govt. of Assam under deficit system of grants-in-aid w.e.f. 25/03/98. The college was provincialised by the Govt. of Assam w.e.f. 01/12/2005 vide Govt. notification No. LPG. 112/2005/158 dated the 19th December, 2005. The College has been included under section 2(f) & 12 (B) of the UGC act, 1956.

Affiliated to Gauhati University, the college has been assessed and accredited by National Assessment and Accreditation Council (NAAC) in cycle 2 in October, 2015 and awarded Grade B. The college is imparting education for Higher Secondary in two streams : Arts and Commerce and Degree Programmes in Three streams/disciplines Arts, Commerce and B.Voc. The college has adopted Four Year Undergraduate Programme (FYUGP) under NEP 2020 for Arts, Commerce and B.Voc programmes under Gauhati University from 2023-24 onwards. The college has been maintaining excellent records of performance in different University and Council Examinations.

LOCATION :

Kharupetia College is situated at Bologarah under Shyamabari Mouza about 1 k.m. west from Kharupetia Town under Mangaldai sub-division. It is about 15 k.m. away from Mangaldai, the District head quarters of Darrang and is connected by the N.H. 15.

Vision

The logo of the college symbolises its goal and vision. An earthen lamp is lighted inside a half circle with a base bar on which Tamasho Ma Jyotirgomo'i' (lead me from darkness to light) has been written. The lamp symbolises the light of knowledge.

We envision to develop the college into a centre of excellence adding value to education with dedication to nurture the students and transform them into employable persons and good citizens of the nation.

MISSION

- To bring social change in a desired way by using education as a tool for change.
- To bring this institution of higher education closer to the community with the help of various extension activities.
- To develop human resource in such a way so that they can participate in the nation building process.
- To promote a healthy academic environment for the teaching-learning process to uphold the spirit of social justice and thereby empowering the students to become a responsible citizen of the nation.
- To develop an interdisciplinary approach in learning and to enhance value-based knowledge and skills among students through several add-on courses including certificate and diploma courses in foreign languages to provide employability.
- To frame policies and measures including gender sensitisation and green initiatives in the direction of sustainable development for an eco-friendly campus.
- To upgrade the skills of faculty through participation in faculty development programmes, workshops and seminars for imparting quality education.
- To encourage participation of non-teaching staff in various training programmes for efficient management of administration of the institution.

COURSES OF STUDY:

The college offers the following courses of study:

- i) Two year Higher Secondary Course both in Arts and Commerce Stream.
- ii) Three year Degree course both in Arts and Commerce Stream and B.Voc Stream (V & VI Semester).

INTRODUCTION TO FYUGP

The FYUGP at Kharupetia College is designed by Gauhati University to offer two types of Bachelor's Degrees to the students at the end of the successful completion of the programme:

i) Bachelor's Degree in a Stream and (ii) Bachelor's Degree in a Discipline. The word stream here refers to Arts and Commerce. In case of a degree in a discipline, the student can take Vocational (B. Voc.) course. For both the types of degree programmes, the whole FYUGP is divided into two parts-

- Core Courses and
- Common Courses.

The minimum credit allocation for a 3-year programme is 84 credits in Core Courses and 36 credits in Common Courses, which comes to a total of minimum 120 credits for a 3-year programme. With the fourth year, the minimum credit requirements become 160. A student can however earn up to a maximum of 132 credits in a 3-year programme and 176 by the fourth year. The details of curricula, courses and structures, under FYUGP available at Kharupetia College are shown below:
